

# Global 500 Professional Services Company

## Introduction

This case study of a Global 500 professional services company is based on a December 2021 survey of PKWARE customers by TechValidate, a third-party research service. The profiled company asked to have their name blinded to protect their confidentiality.

## Challenges

The business challenges that led the profiled company to evaluate and ultimately select PKWARE include experiencing issues with:

- PCI DSS compliance
- Other data compliance mandates (i.e., GDPR, CCPA, etc.)
- The surveyed organization has found it somewhat difficult to achieve or maintain PCI DSS compliance year over year.
- They must also comply with the following regulations:
  - GDPR
  - HIPAA
  - SOX

## Organization Profile

The company featured in this case study asked to have its name publicly blinded because publicly endorsing vendors is against their policies.

TechValidate stands behind the authenticity of this data.
