

Large Enterprise Healthcare Company

Introduction

This case study of a large enterprise healthcare company is based on a December 2021 survey of PKWARE customers by TechValidate, a third-party research service. The profiled company asked to have their name blinded to protect their confidentiality.

Challenges

The business challenges that led the profiled company to evaluate and ultimately select PKWARE included experiencing issues with:

- Other data compliance mandates (i.e., GDPR, CCPA, etc.)

The surveyed organization has found it moderately easy to achieve or maintain PCI DSS compliance year over year. They must also comply with HIPPA regulations.

Use Case

The surveyed company utilizes the following to achieve and/or maintain PCI DSS compliance:

- PKZIP
- SecureZIP

Organization Profile

The company featured in this case study asked to have its name publicly blinded because publicly endorsing vendors is against their policies.

TechValidate stands behind the authenticity of this data.

Size: Large Enterprise

Industry: Healthcare

Results

PKWARE specifically helps this organization achieve and/or maintain PCI DSS compliance by:

- protects data being transferred over IP

The surveyed organization has worked with PKWARE solutions to maintain PCI DSS compliance for 3 – 5 years.

The surveyed organization is confident that their current cybersecurity setup can scale with company growth and can adapt to fit the updates involved in future PCI DSS updates.

With the addition of PKWARE solutions, we know where all our sensitive data is stored and are confident that it is protected and compliant with PCI DSS guidelines.

About PKWARE

PKWARE offers the only data discovery and protection solution that locates and secures sensitive data to minimize organizational risks and costs, regardless of device or environment. Our ultra-efficient, scalable software is simple to use on a broad range of data types and repositories, enabling precise, automated visibility and control of personal data, even in the fastest-moving, most complex IT environments. With more than 1,200 customers, including many of the world's largest financial institutions, retailers, healthcare organizations, and government agencies, PKWARE continues to innovate as an award-winning global leader in data discovery, security, and compliance.
